HOW TO PLAY: CIRCULAR MAZE

Spiral your way out from the centre.

4 puzzles · one per page · every solution printed

RULES

1. Navigate from the centre (S) to the outer ring (F) through open arcs and radial passages.
2. Walls curve along each ring — rotate your thinking.
3. Each maze has exactly one solution.

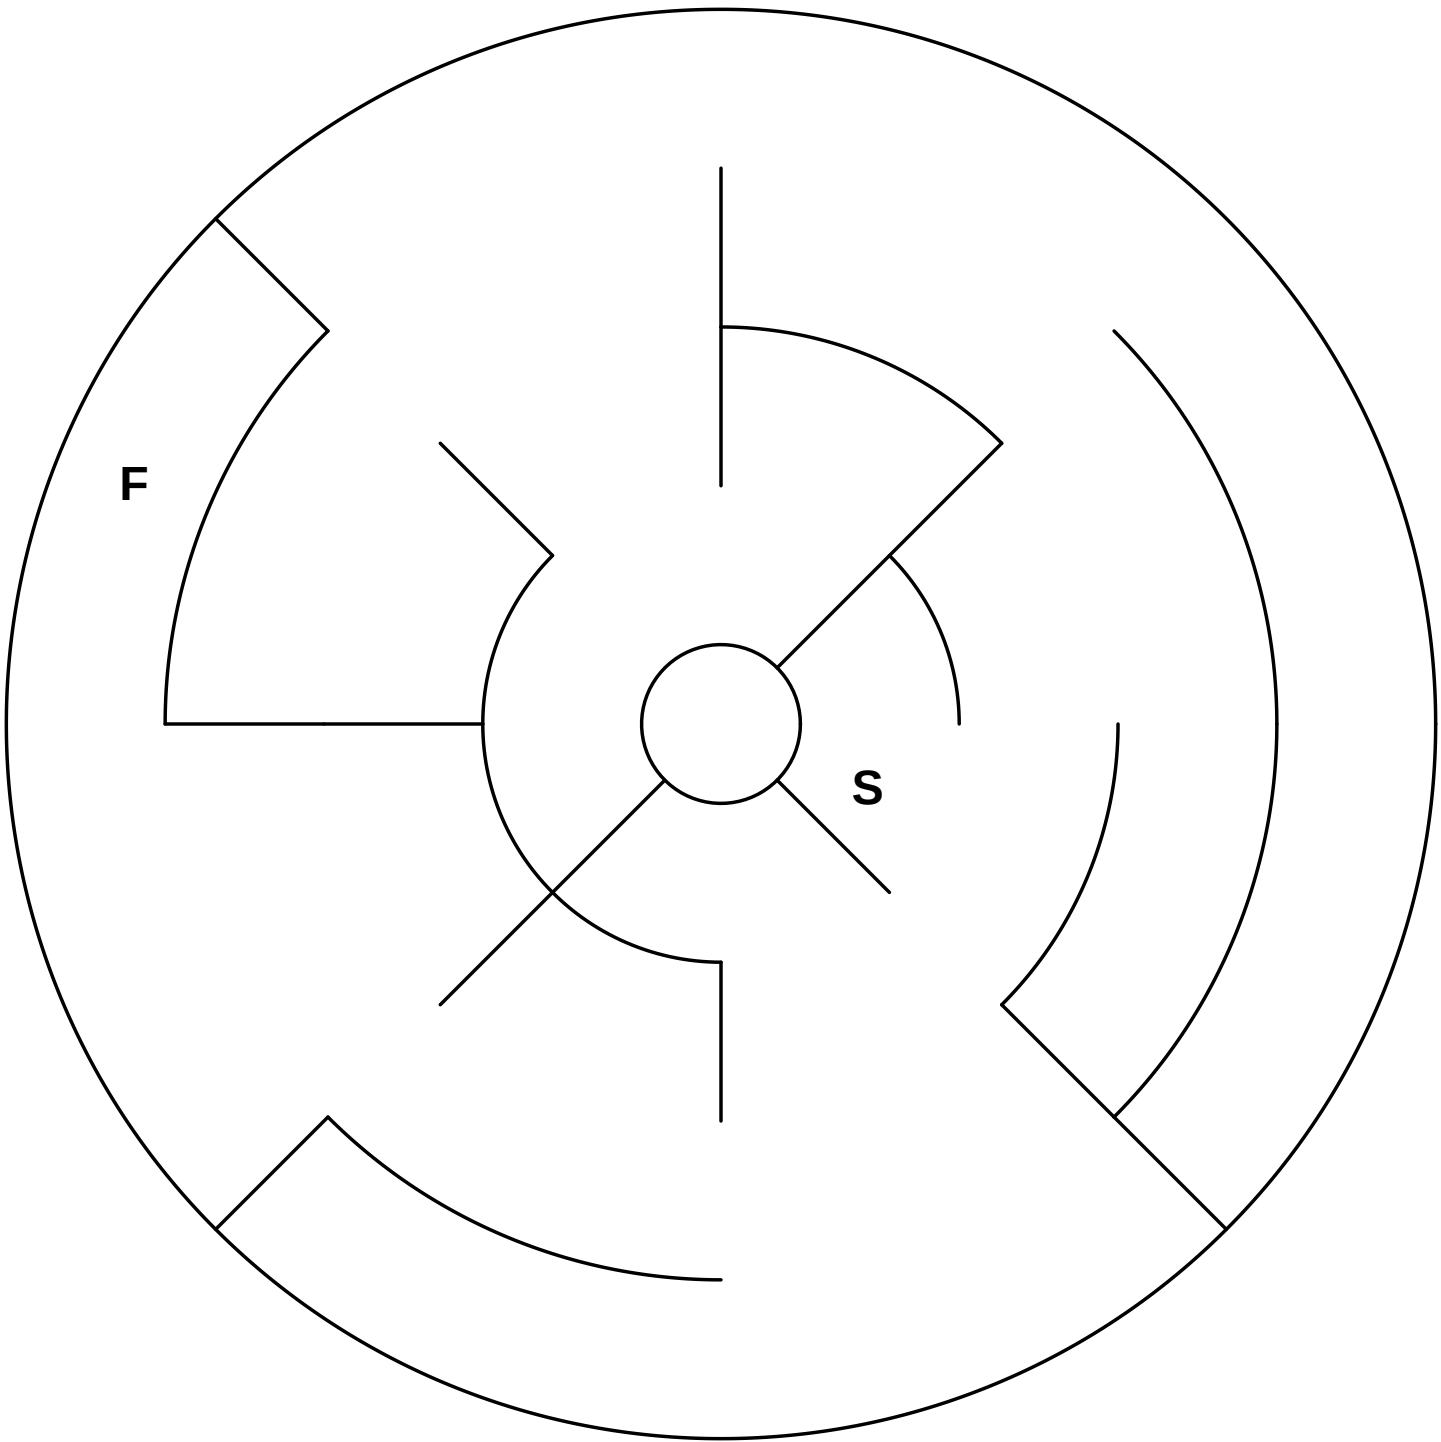

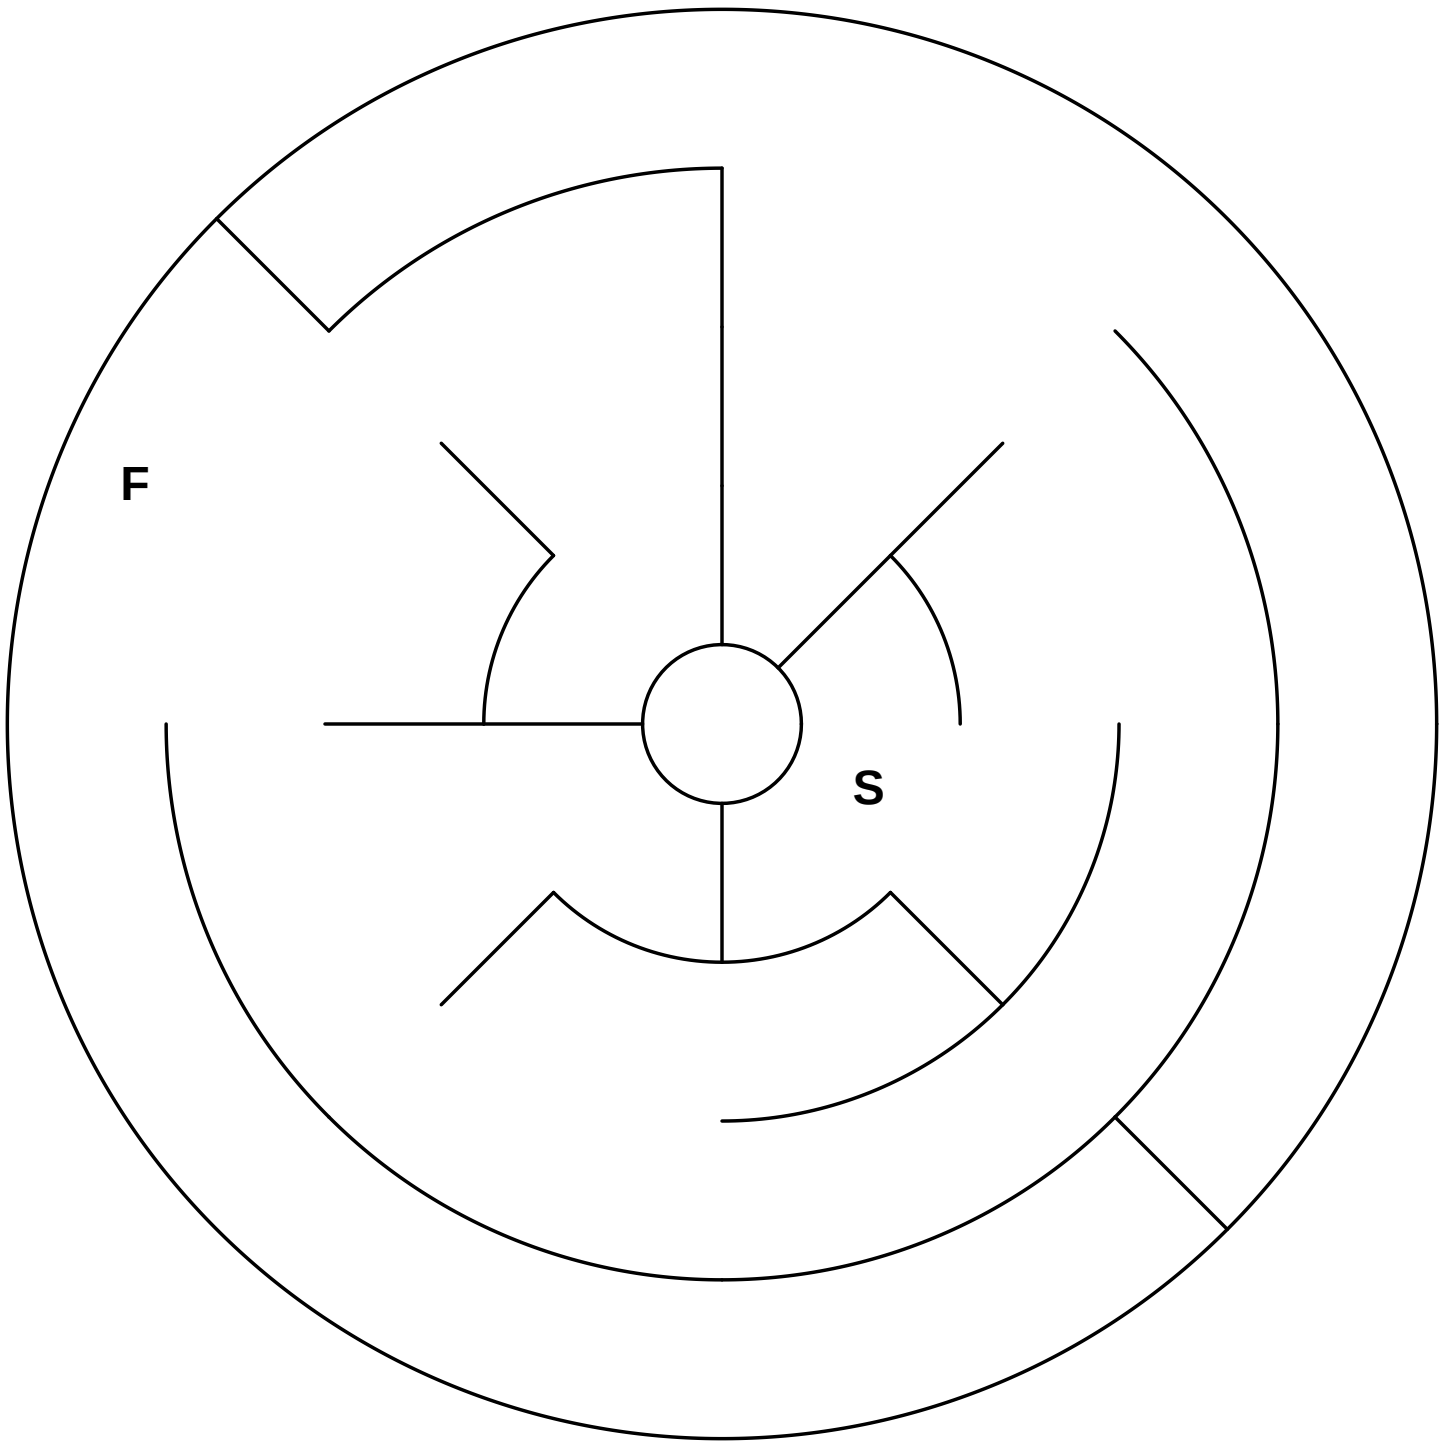

PRO TIP

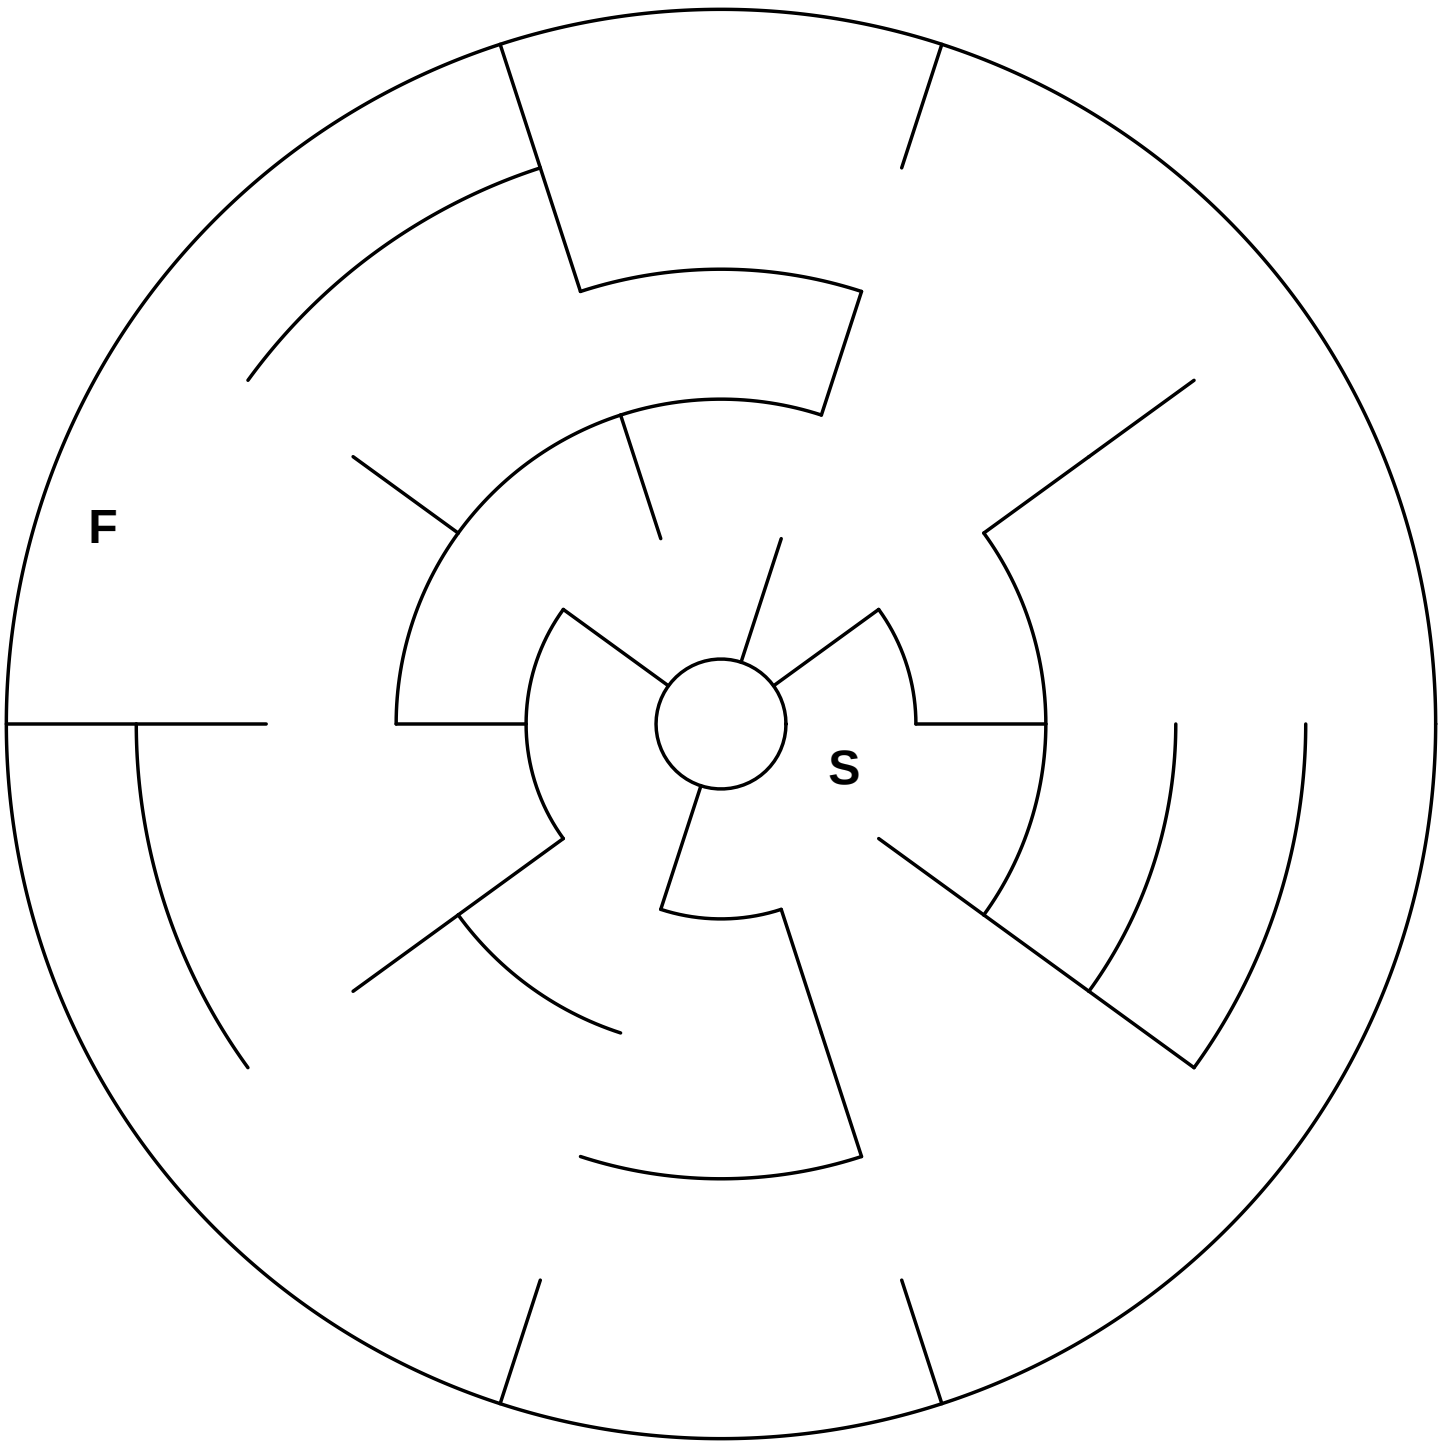

Track which ring you are on — it is easy to lose count in the outer rings.

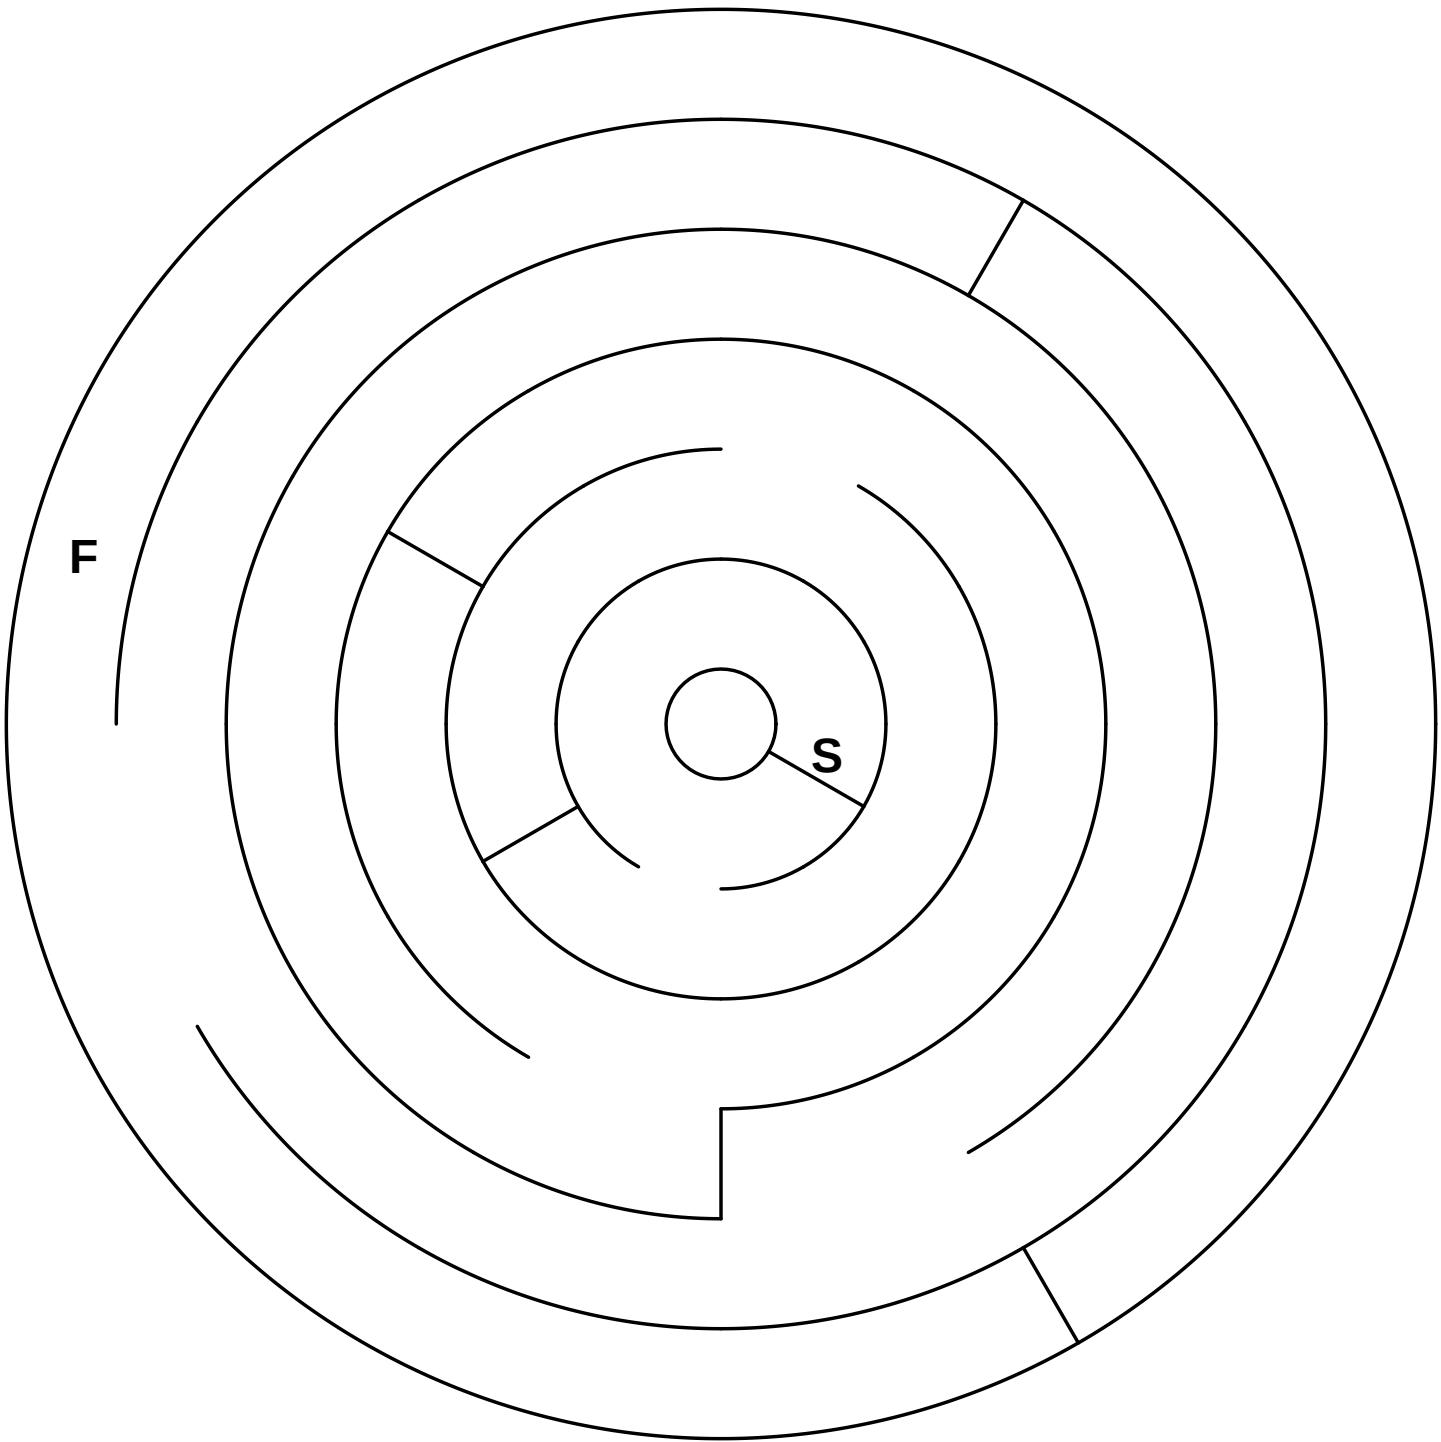

COMMON MISTAKES

- Confusing a radial gap with a ring arc.
- Going in circles — mark visited arcs mentally to avoid loops.
